

PLANT OPERATOR – TURF RENOVATION

We seek a plant operator to assist in the development our growing Horticultural Services Division. You will be fully trained in the operation of a variety of specialised turf renovation equipment and be responsible for improving open space areas for our customers.

As an example, you will operate a variety of plant and equipment including tractors with specialised implements, spreader trucks, front end loaders, mowers and tilt trays.

You will favour attention to detail, be able to communicate clearly on behalf of our company to the customer and be passionate about your work results.

Essential Criteria:

- MR/HR licence essential
- WHS Whitecard

Desirable Criteria:

- Mechanical ability highly regarded
- Greenkeeping or turf renovation experience favourable

We will offer training in all aspects of our service delivery with the opportunity to increase your skills and advancement in the company. At times some flexibility will be required regarding work hours and intrastate travel, as well as some weekend work.

The Green Horticultural Group is a company that offers attractive remuneration and great opportunities for the right people.
