

We are seeking

## GROUNDS MAINTENANCE STAFF

### Job description

- Work in Bankstown area
- Above award rates of pay
- Minimum 3 years experience in similar role
- WHS White Card (essential)
- Chemcert (desirable)
- Current Drivers Licence (required)

### Our Company – GHG (Green Horticultural Group)

For over 20 years, GHG has focused on delivering quality outcomes and genuine customer service to our state-wide customer base. Today, our company continues to move forward, and we are recognised as one of the most respected names in the turf construction, renovation and landscape maintenance industry.

As our reputation for delivering quality outcomes and top service grows – so too does our company. We have a great opportunity for Grounds Maintenance Staff to join our team.

### The Right Candidate

This is a great opportunity for a fit and reliable person to work and develop further skills in all aspects of the Parks and Gardens trade with a solid and respected organisation. GHG has built a reputation in providing a high-end service with professionalism and attention to detail that always impresses our customers.

### Key Responsibilities

- Working on sites in the Bankstown area
- Operation of machines such as mowers, blowers and powered garden tools
- Garden duties such as pruning, mowing, fertilising and weed control
- General horticultural maintenance and garden care.

### Required Skills and Experience

- Previous experience in similar role
- Physically fit and active
- Able to work in a small team and also alone at times
- Good communication skills, honesty and integrity.

### What we offer

- Company uniforms provided, full training and ongoing mentoring
- Very real opportunities for advancement within the company
- Above award rates at pay – discussed at interview.
