

## **WE ARE SEEKING A**

# **QUALIFIED GREENKEEPER**

### **Our Company – GHG (Green Horticultural Group)**

With a legacy spanning over 25 years, GHG have established ourselves as a reputable and high regarded company in the turf and landscape industry. Our expertise lies in turf construction, sports field drainage, renovation and turf maintenance.

As our reputation for delivering quality outcomes and top service grows – so too does our company. We currently have a great opportunity for a Qualified Greenkeeper to join our team.

### **Requirements**

- Manual drivers licence
- Chemcert or Equivalent
- Qualification or pre-qualification is essential
- Minimum 5 year's experience is required in a similar industry
- WHS Whitecard
- Ability to meet strict quality parameters required by our clients
- Good communication skills to liaise with clients and staff
- Close communication with GHG Contracts Supervisor

### **The Right Candidate**

GHG is seeking a full time qualified Greenkeeper with a minimum of 5 years experience to be part of our progressive organisation.

The successful candidate will be self-motivated and take a leadership role in planning for all aspects of sports field presentation to the highest of standards.

You will have sound knowledge of the cultural practices required to maintain sports fields and have the ability to divert from your normal duties as a Greenkeeper of a small, close knit team to provide assistance in all aspects of sports turf maintenance.

Experience with appropriate skills in maintenance and preparation of sporting facilities will be well regarded. You will work closely with the GHG Contract Supervisor in all aspects of turf maintenance.

### **Rewards**

- Full training will be provided
- Competitive salary package based on experience and qualifications
- Company uniforms
- The opportunity for advancement for motivated individuals who achieve excellence

You will be joining a passionate team who love what they do. We are a family-owned company whose goal is to see every employee succeed and grow in their role. You will be provided with a rewarding work environment and a fantastic team culture.

As part of our team, you will undergo comprehensive training in all aspects of our service delivery, allowing you to enhance your skills and gain valuable experience. We value flexibility and there may be occasional requirements for adjusted work hours, including weekends during peak periods. This provides you with the opportunity to adapt and contribute to our success during busy times.

There is an attractive remuneration package for the successful candidate, opportunities for advancement in the company, as well as the fantastic opportunity to join an industry leader.
